

Request for work (RFW4)

for main laying

Following receipt of a signed acceptance and payment of our mains requisition quotation, we will contact you to arrange a pre-start meeting and to agree a construction programme for the main laying works.

In accordance with the construction programme, a separate Request for Work form must be submitted, when each section of main is ready to be laid on the development detailed below. We will aim to make the mains available within 90 calendar days of receiving your completed Request for Main Laying form.

Please note that this form and/or the information contained in it may be disclosed by United Utilities Limited to OFWAT in relation to this project or otherwise and in signing this form you are hereby consenting to such disclosure.

If you need help or assistance please telephone **0345 072 6067**.
