

# Application form AWS1

## Standard 25mm water connection from an existing water main

### Connection notice under S45 of the Water Industry Act

This form allows you to apply for a new standard (25mm) water service connection for domestic use.

If you need any help completing this form, please refer to our guidance notes on our website [unitedutilities.com](http://unitedutilities.com)

### NOTE ALL FIELDS ARE MANDATORY

**Do you require budget cost?**  Yes  No

Please refer to our connection charges for the current financial year. If you need any assistance, completing this form, please contact us on **0345 072 6067**.

**Do you require a formal quotation?**  Yes  No

Please refer to our connection charges for the current financial year for our application fee. Formal quotations are valid until the end of the financial year.

The application fee charges are set out in our Connections Charges sheet. PLEASE NOTE: If you are applying for more than one connection then you need to add the charge for each additional connection as per our current Charges Sheet.

Please ensure that you include VAT to the charges shown if sending your payment by cheque.

Our application fee does not include a site visit therefore if you do require a visit for site advice etc you will have include the 'Site Visit Charge' as per the current Charges Sheet. Please note you will have to add VAT and include this with your application fee charge.

Application fee How are you paying?	<input type="checkbox"/> <b>Credit or Debit card</b> <i>We will need to perform this transaction over the phone. Please provide us with your details below, and we will be in touch</i>	£
	<input type="checkbox"/> <b>Cheque</b> Please attach your cheque and make it payable to <b>United Utilities</b>	£
Contact name for payment		
Daytime telephone number		
We'll provide you with a VAT receipt. Shall we send this to the address given in Section 1?		<input type="checkbox"/> Yes <input type="checkbox"/> No
If not, please provide an alternative name and address

Contact name			
Invoice address			
		Postcode	
Daytime telephone number (a mobile number is fine)			

## Section 2: Details of where the new connection(s) is required

Address of development			
Postcode (please refer to our guidance)		Grid ref, if no postcode	
Site contact name (this may be the same name as in Section 1)			
Site office telephone (if you have one)			
Has planning permission been given?	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Applied for	If 'YES' provide planning reference details	

## Section 3: Details of premises to be connected

Date when supply is required	<input type="text" value="D"/> <input type="text" value="D"/> <input type="text" value="M"/> <input type="text" value="M"/> <input type="text" value="Y"/> <input type="text" value="Y"/> <input type="text" value="Y"/> <input type="text" value="Y"/>		
Is the connection intended solely for domestic use?	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Is the connection intended for trade, business or community use?	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Please indicate the type of building or buildings involved, by ticking the relevant box or boxes below. If you need more than one service pipe connection, please include plot numbers too.	<input type="checkbox"/> New build	No. of	
	<input type="checkbox"/> Temporary supply to become permanent	No. of	
	<input type="checkbox"/> Existing building being split up	No. of	
	<input type="checkbox"/> Existing building with no mains water	No. of	
Do any plots front directly onto the street?	<input type="checkbox"/> Yes <input type="checkbox"/> No		

## Section 4: Previous land use MANDATORY

Greenfield or agriculture <input type="checkbox"/> Housing <input type="checkbox"/> Industry <input type="checkbox"/> Landfill <input type="checkbox"/> Other <input type="checkbox"/> (if other, please specify below)			
Has the site, adjacent site, or any of the land through which you want to lay your water pipe potentially been affected by contamination? (Land that has been previously used or developed)	<input type="checkbox"/> Yes <input type="checkbox"/> No		
Are you planning to store any chemicals, fuel or other materials likely to affect the quality of the water passing through your new service pipe?	<input type="checkbox"/> Yes <input type="checkbox"/> No		
<p>If you answered 'YES' to any of the questions in this section, you will need to complete a 'Risk Assessment for Water Pipes' form, available at <a href="http://unitedutilities.com">unitedutilities.com</a>, and enclose it with this form.</p> <p>If you answered 'NO' to all the above, please provide a brief summary of the current and previous land use of your development site, and adjacent sites.</p>			

## Section 5: About your supply pipe connection

Please indicate how many supply pipe connections you need.			
Please indicate the type of service pipe you need for each connection:	<input type="checkbox"/> 25 mm PE Service (Non contaminated land)	No. of	
	<input type="checkbox"/> 25mm Barrier Pipe (For use on contaminated land)	No. of	

Section 6: Water meter locations			
Please indicate where your new water meter(s) is to be located.	<input type="checkbox"/> Internal meter	No. of	
	<input type="checkbox"/> Wall mounted box	No. of	
	<input type="checkbox"/> In wall box	No. of	

Section 7: Fire sprinkler details	
Are you planning any fire sprinkler installations?	<input type="checkbox"/> Yes <input type="checkbox"/> No
If 'YES', please provide the plots numbers	
Please provide details of the sprinkler system and proposed installer on a separate sheet if you have them.	<input type="checkbox"/> System details attached <input type="checkbox"/> Installer details attached

Section 8: Rainwater harvesting			
Are you planning to install a rainwater harvesting or grey water system for your new development?			<input type="checkbox"/> Yes <input type="checkbox"/> No
If 'YES', please provide	Rainwater harvesting	Plots	
	Grey water systems plots	Plots	
Please provide details of the rainwater harvesting and grey water systems and proposed installer on a separate sheet if you have them.			<input type="checkbox"/> System details attached <input type="checkbox"/> Installer details attached

Section 9: Sewer connections			
You will need to apply separately for a sewer connection at <a href="https://www.unitedutilities.com/connecting-public-sewer">unitedutilities.com/connecting-public-sewer</a> . However, it is also important that you state your sewerage proposals here, as the information provided may be required by UU to confirm the applicable sewerage billing tariff.			
Please indicate which of the following you will use for your wastewater drainage	<input type="checkbox"/> United Utilities sewer	No. of	
	<input type="checkbox"/> Septic tank	No. of	
Please indicate which of the following you will use for your surface water drainage	<input type="checkbox"/> United Utilities sewer	No. of	
	<input type="checkbox"/> Soak away <input type="checkbox"/> Watercourse <input type="checkbox"/> Other	No. of	
Are you planning on discharging Trade Effluent*			<input type="checkbox"/> Yes <input type="checkbox"/> No

\* Trade effluent is wastewater from a process or trade that is not domestic (ie: discharges other than from toilets or canteens). You may need to obtain a trade effluent consent from us if this applies to you. Please send your details to [TEQUERY@uuplc.co.uk](mailto:TEQUERY@uuplc.co.uk) and we will contact you to discuss this further.

Section 10: Infrastructure charges and credits	
Every developed property will need to pay infrastructure charges, in addition to your connection charge, for each new property that is added to our water network. You may, however, qualify for a credit if there was a previous water connection to your site. Please complete this section as accurately as possible, so that we can work out the correct infrastructure charge for your circumstances.	
Has the development site had a previous connection within the last five years?	<input type="checkbox"/> Yes <input type="checkbox"/> No
If 'YES', please provide details of the property type(s) (e.g. house, office etc.)	
Number of connections previously on site	
Date of disconnection	<input type="text" value="D"/> <input type="text" value="D"/> <input type="text" value="M"/> <input type="text" value="M"/> <input type="text" value="Y"/> <input type="text" value="Y"/> <input type="text" value="Y"/> <input type="text" value="Y"/>
Postal address of disconnected properties	
Meter numbers or United Utilities account reference(s)	

## Section 11: Property type for VAT calculations

Please indicate the type of property you need your water connection for. This is so we can calculate the amount of VAT to be added to your connection charge(s)

New household property <b>Note:</b> Water and sewerage services provided during the course of construction of a new domestic dwelling are zero rated	<input type="checkbox"/> Yes
Domestic conversion Tick <b>'YES'</b> if the property is a domestic conversion, and you are applying for the reduced VAT rate	<input type="checkbox"/> Yes
Commercial premises	<input type="checkbox"/> Yes
Listed building Tick <b>'YES'</b> if the property is a listed building, and you are applying for VAT zero rating as an approved alteration to a listed building	<input type="checkbox"/> Yes
Customs and Excise certificate	
Residential/Charity Tick <b>'YES'</b> if you are applying for VAT zero rating because the intended use is for a relevant residential or charity purpose	<input type="checkbox"/> Yes
Charity number	

## Section 12: Have you included your supporting documents? Your application cannot be processed without this information

A location plan clearly identifying the property(s) and surrounding area. This needs to indicate your preferred point of connection.

Yes

**In addition, you may need to submit one or more of the following documents, depending on your circumstances. Please indicate which of the following you are sending to us:**

<b>Letter of authority:</b> If you are not the owner or occupier of the property that needs a new water connection, please supply an email, fax or letter from the owner, confirming that you are authorised to act on their behalf.	<input type="checkbox"/> Yes <input type="checkbox"/> N/A
<b>Water re-use systems:</b> If you are installing any type of rainwater harvesting or water re-use system, please enclose full details of the equipment being used, including details of the manufacturer and installer of the system.	<input type="checkbox"/> Yes <input type="checkbox"/> N/A
<b>Risk assessment for water pipes form:</b> If there has ever or could be any possibility of soil contamination on the land being re-developed, you must enclose a 'Risk Assessment for Water Pipes' form, available at <a href="http://unitedutilities.com">unitedutilities.com</a>	<input type="checkbox"/> Yes <input type="checkbox"/> N/A
<b>F10 notice:</b> If your development is intended for trade, business or community use, and the construction work is expected to last more than 30 days, you will need to provide a copy of your Health and Safety Executive F10 notice along with this form.	<input type="checkbox"/> Yes <input type="checkbox"/> N/A

## Declaration

By submitting this form, I confirm that:

- I wish to apply for a new water connection(s) for the development listed in Section 2
- I have provided all the information requested, including supporting documents described in Section 12
- I agree to pay the application fee
- I understand that this is a connection notice under Section 45 of the Water Industry Act
- If you need to re-inspect the pipework, then a re-inspection charge will apply as per your current Charges Sheet and payment must be made before a re-inspection appointment can be arranged.
