## Section 9: Declaration

By submitting this form, I confirm:

- The supply pipes to all plots applied for have been installed to UU specification
- If UU are unable to complete the work due to a defective installation, I may be charged for an abortive visit
- If UU require any remedial work, I understand that this will need to be completed before a new request for work is submitted
- I have the authority of the person who signed the AWS application form, to request the new connection(s).

Name		Company	
Signature		Date	DD MM YYYY

If we have to visit to re-inspect pipework; or we are unable to complete work due to customer not being ready; or any obstruction preventing work i.e. scaffolding, skips etc.; or visit to obtain meter details if these are not provided in a timely manner; or incorrect / incomplete meter details provided, we will apply a charge for abortive visits as shown on our current Connection charges sheet.

### UU use only

Date received	DD MM YYYY
UUW Ref No.
